PhD Accomplishments

Two best (personal) accomplishments: <i>(this can be: dealing with setbacks, managing multiple projects at the same time, writing a protocol, abstract or article, winning a prize or grant, etc.)</i>	Impact: <i>(this can be: personal / local / societal)</i>
1.	
2.	

PhD Competences and Skills

A. PhD Competence Model

In preparation of the annual interview you have filled out the [PhD Competence Model](#). This is a self-assessment tool for individual growth in research-related competences.

Please write down which competences you want to discuss with your supervisors and why you want to discuss them. Use these answers as a framework to discuss your personal growth during your annual interview.

1. Research skills and knowledge (obligatory)
2. Additional competence 1:
3. Additional competence 2:

B. Learning goals

Based on these competences, please formulate your goal(s) for professional development for next year:

1. Goal 1:
2. Goal 2:
3. Goal 3:

Career planning and support GSLS

Please formulate your long-term career goals (*e.g., beyond your PhD*):

1. Goal 1:

2. Goal 2:

Are there any issues related to your PhD in which the GSLS can support you?

In case you are seeking advice on any topic related to your PhD, you are always welcome to contact Geert Ramakers (g.m.j.ramakers@umcutrecht.nl).
